### Frequently Asked Questions (FAQ)

Q1. How many wheelchair passengers can this vehicle accommodate?A: There is space for one wheelchair user.

Q2. Is the rear wheelchair ramp easy to operate?A: Yes, the rear wheelchair ramp is easy to operate. First, there is a lever on the right-hand side that you pull down to unlock the ramp from its stored position. Then, grab the handle on the ramp and walk backwards while lowering it. The ramp is fitted with a gas damper, which assists with the operation and makes it feel lighter and smoother to use.

Q3: Can I fit a mobility scooter in this vehicle?A: Yes, the vehicle is suitable for many mobility scooters, depending on size. Please check the measurements or contact us to confirm compatibility.

Q4. Does this vehicle have a wet timing belt?A: No, this vehicle has a conventional timing belt.

Q5: Is this vehicle suitable for both manual and powered wheelchairs?A: Yes, the rear ramp and winch system make it suitable for both manual and many powered wheelchairs.
