Content

Peugeot Partner WAV for Sale in Weston-super-Mare

If you're looking to buy a used wheelchair accessible vehicle (WAV) with low mileage, this 2018 Peugeot Partner Tepee WAV is an excellent choice. Professionally converted by Allied Vehicles, it offers a practical and comfortable solution for wheelchair users.

With seating for three passengers plus space for one wheelchair user or mobility scooter, this vehicle combines versatility, safety, and convenience. It features an electric wheelchair winch for effortless loading and a lightweight rear ramp with a fold-flat design, creating a level boot floor when not in use. Ideal for those seeking a reliable, low-mileage WAV with user-friendly accessibility features.

Frequently Asked Questions (FAQ)

Q1. What is a WAV?A: WAV stands for Wheelchair Accessible Vehicle - a specially adapted vehicle designed to safely and comfortably transport wheelchair users without the need to leave their wheelchair.

Q2. What is a Peugeot Partner Horizon?A: The Peugeot Partner Horizon is a Peugeot Partner Tepee professionally converted by Allied Vehicles into a wheelchair accessible vehicle. "Horizon" is the model name used by Allied Vehicles to identify it within their range of WAVs.

Q3. Is this Peugeot Partner WAV compliant with Clean Air Zones such as Bristol?A: Yes, this Peugeot Partner Wheelchair Accessible Vehicle (WAV) meets Euro 6 emissions standards, making it fully compliant with Clean Air Zone (CAZ) regulations. This means you can drive in areas such as Bristol without incurring any daily charges.

Q4. Does this vehicle come with a warranty?A: Yes, every one of our used wheelchair accessible vehicles (WAVs) is supplied with a comprehensive in-house warranty, covering both parts and labour. Designed to offer clear, hassle-free protection, our warranty gives you added confidence and peace of mind when choosing your accessible vehicle.
