

Peugeot Rifter 1.5 BlueHDi Wheelchair Accessible Vehicle (WAV)

Content

This 2021 (21) Peugeot Rifter 1.5 BlueHDi Wheelchair Accessible Vehicle (WAV) is a low mileage, professionally converted example by Allied Vehicles. Designed with practicality and flexibility in mind, it offers the option of 5 seats or 3 seats plus a wheelchair user, making it ideal for both family use and care environments.

With its lightweight fold-flat rear ramp, lowered floor, and electric winch, this Rifter is easy to operate and well suited to single-person use, allowing safe and efficient loading of a wheelchair or mobility scooter.

Available from Michael Harraway Cars, based in Weston-super-Mare, we regularly supply customers across Bristol, Bath, Devon, and the wider South West, with delivery options available.

Key Vehicle Information

Mileage: 10,919 miles

Seating: 5 seats or 3 seats plus wheelchair passenger

Road Tax: £200 per year

Full Service History: Yes

Euro Standard: Euro 6

Wheelchair Accessibility Features

5 seats or 3 seats plus wheelchair user configuration

Lightweight rear access ramp with fold-flat function

Lowered rear floor for improved headroom and comfort

Electric wheelchair winch to assist loading

4-point wheelchair restraint system for safety

Professionally converted by Allied Vehicles

Wheelchair / Mobility Scooter Dimensions

Suitable for most standard wheelchairs and many mobility scooters.

Key internal access measurements:

Ramp width: 82 cm

Ramp length: 130 cm

Entry height (doorway): 142 cm

Internal width alongside rear seat: 62 cm

We always recommend measuring your wheelchair or mobility scooter before purchase to ensure suitability.

Practical Benefits

The Peugeot Rifter is a versatile and easy-to-drive WAV, offering a good balance between compact exterior size and practical interior space. It's comfortable on longer journeys while still being manageable around town and in tighter parking spaces.

The electric winch reduces physical effort when loading, making it especially useful for carers or family members. The lowered floor improves headroom and comfort for the wheelchair passenger, particularly on longer trips.

Who This Vehicle Is Ideal For

This vehicle is well suited to:

Families needing a flexible wheelchair accessible vehicle

Individuals looking for a low mileage WAV for sale in the UK

Carers who want an easy-to-use, practical setup

Buyers wanting the option of 5 seats when not carrying a wheelchair

Bluetooth phone connectivity

Rear parking sensors

Cruise control with speed limiter

DAB radio

Electric front and rear windows

Electric adjustable mirrors

Remote central locking

Automatic headlights and wipers

Driver and passenger airbags, side airbags

ABS, traction control and power steering

Frequently Asked Questions (FAQ)

Can this vehicle carry a mobility scooter?

Yes, in many cases it can. With a ramp width of 82 cm and an internal width of 62 cm, this Rifter is suitable for most standard wheelchairs and a good range of mobility scooters. However, sizes can vary, so we always recommend measuring your scooter and checking with us before purchase.

How many people can travel in this vehicle?

This vehicle offers flexibility depending on your needs. It can be used as a 5-seat vehicle, or as 3 seats plus a wheelchair user, allowing up to four occupants including the wheelchair passenger.

Is the vehicle easy to use for loading a wheelchair?

Yes, it's designed for ease of use. The lightweight ramp folds out quickly, and the electric winch helps pull the wheelchair into position with minimal effort. This makes it suitable for single-person operation without needing specialist assistance.

Is this WAV suitable for everyday use?

Absolutely. The Peugeot Rifter drives much like a standard car, making it comfortable for daily use, whether that's local trips, shopping, or longer journeys. It offers a good mix of practicality, comfort, and fuel efficiency.

What is the annual road tax?

The road tax is £200 per year. As a Euro 6 diesel, it falls into a standard VED band.

What are the advantages of the Allied Vehicles conversion?

Allied Vehicles are one of the UK's leading WAV converters, known for producing high-quality, reliable conversions. The lowered floor, ramp design, and restraint systems are all engineered for safety, ease of use, and long-term durability.
