Practical Benefits

The Peugeot Rifter is one of the most versatile and user-friendly wheelchair accessible vehicles available today. Its compact exterior dimensions make it easy to park and manoeuvre, while the spacious cabin provides excellent comfort for passengers and wheelchair users alike.

The smooth EAT8 automatic gearbox makes driving effortless, especially in traffic or on longer journeys, while the electric winch reduces the physical effort required when loading a wheelchair or mobility scooter.

The fold-flat ramp system is particularly useful, allowing the rear luggage area to remain practical when the wheelchair space is not required.

Frequently Asked Questions (FAQ)

Is this Peugeot Rifter automatic?

Yes, this vehicle is fitted with Peugeot's smooth and highly regarded EAT8 automatic gearbox, making it easy and comfortable to drive in all conditions.

Can it carry a mobility scooter?

Yes, it can accommodate many mobility scooters as well as standard wheelchairs. We always recommend checking your scooter measurements against the vehicle dimensions or contacting us for advice before purchase.

What makes the fold-flat ramp useful?

The fold-flat ramp system allows the ramp to fold neatly into the floor when not carrying a wheelchair

or scooter, helping create a flatter and more practical luggage area for everyday use.

Is the vehicle easy to load with one person?

Yes. The lightweight ramp and electric winch make loading straightforward and reduce physical effort, making it well suited to single-person operation.

Has the vehicle been well maintained?

Yes, this Rifter benefits from a documented service history with Peugeot main dealer servicing, along with a multi-point inspection and service completed by Michael Harraway Cars prior to sale.

Is this vehicle suitable for everyday local use?

Yes, absolutely. The Peugeot Rifter is ideal for everyday journeys such as shopping trips, appointments, visiting family, and school or care transport. Its compact size, raised driving position, automatic gearbox, and excellent visibility make it particularly easy to drive and manoeuvre around town.
