

Peugeot Partner Tepee 1.6 BlueHDi Automatic Wheelchair Accessible

Content

Peugeot Partner Tepee WAV for Sale - Weston-super-Mare

Finding the right wheelchair accessible vehicle is one of the most important decisions a family or carer can make. At Michael Harraway Cars, we specialise exclusively in wheelchair accessible vehicles and have spent more than a decade helping hundreds of customers across the South West find the right WAV with confidence and without pressure.

This 2019 (19) Peugeot Partner Tepee 1.6 BlueHDi Active Automatic is a particularly well cared for example a one owner, ex-Motability vehicle professionally converted from new by Allied Vehicles, with a full Allied Vehicles service history and low mileage for its age.

Compact, practical, and easy to drive, the Partner Tepee is one of the most popular everyday WAVs available. The smooth automatic gearbox, electric wheelchair winch, and lightweight fold-flat rear ramp make it straightforward to use for carers and passengers alike - whether for appointments, shopping trips, school runs, or family outings.

Vehicle Overview

Mileage: 22,627 miles

Transmission: Automatic

Fuel: Diesel

Emission Standard: Euro 6 - ULEZ & Clean Air Zone Compliant

Previous Owners: 1 owner from new (Ex Motability)

Road Tax (VED): £200 per year

Frequently Asked Questions

Q1. Can this vehicle carry a wheelchair or a mobility scooter?

A: Yes, this Peugeot Partner WAV can accommodate either a wheelchair user or many types of mobility scooters, depending on size and dimensions. We are always happy to check compatibility before you travel to view the vehicle.

Q2. What does the electric wheelchair winch do?

A: The electric winch helps gently pull the wheelchair or mobility scooter into the vehicle using a remote control, reducing physical effort for carers and passengers.

Q3. Is this Peugeot Partner WAV suitable for everyday use?

A: Absolutely. The Peugeot Partner Tepee is compact, easy to park, economical to run, and comfortable to drive, making it ideal for day-to-day use as well as longer journeys.

Q4. Is this vehicle exempt from Clean Air Zone charges?

A: Yes, this Peugeot Partner Wheelchair Accessible Vehicle is Euro 6 compliant and can be driven in Clean Air Zones, including Bristol, without daily emission charges.

Q5. Do you offer a warranty with your wheelchair accessible vehicles?

A: Yes, all of our used wheelchair accessible vehicles are supplied with a comprehensive in-house warranty covering parts and labour for additional peace of mind.

Q6. Can you take my current WAV or car in part exchange?

A: Yes, we welcome part exchanges and are often able to take existing wheelchair accessible vehicles or standard cars in against your next vehicle

About Michael Harraway

Michael Harraway has worked in the motor trade for over 30 years, spending more than a decade specialising exclusively in wheelchair accessible vehicles. Based in Weston-super-Mare, Michael has personally helped hundreds of customers across the South West find the right WAV for their individual needs - from first-time buyers navigating the process for the first time, to experienced WAV users looking to upgrade.

Unlike a general car dealership, Michael takes a genuinely personal approach taking the time to understand each customer's specific mobility requirements, matching them carefully to the right vehicle, and making what can feel like a complex and daunting process feel straightforward and stress-free. Every vehicle is hand-picked, carefully inspected, and prepared to a high standard before sale.

With over 200 wheelchair accessible vehicles sold and a reputation built on honest, knowledgeable, and no-pressure advice, Michael Harraway Cars has become a trusted name for WAV buyers throughout Bristol, Bath, Somerset, Devon, and the wider South West.
