

Volkswagen Caddy Maxi 2.0 TDI Manual Wheelchair Accessible Vehicle

Content

Volkswagen Caddy Maxi WAV Overview

This 2020 (70) Volkswagen Caddy Maxi 2.0 TDI Manual Wheelchair Accessible Vehicle offers excellent practicality, low mileage and superb flexibility for both wheelchair users and family transport.

Finished in stunning Metallic Blackberry, this professionally converted WAV combines Volkswagen reliability with a spacious and highly versatile interior layout. The manual gearbox and efficient 2.0 TDI diesel engine provide smooth performance and excellent fuel economy, making it ideal for everyday use or longer journeys.

Converted by Automotive Group, this Caddy Maxi features a lowered rear floor, lightweight bi-fold ramp and electric winch system, creating easy wheelchair or mobility scooter access while still maintaining comfortable seating for up to five passengers plus wheelchair occupant.

Available from Michael Harraway Cars in Weston-super-Mare, supplying customers across Bristol, Bath, Somerset, Devon and throughout the South West, with delivery available nationwide.

Practical Benefits

The Volkswagen Caddy Maxi remains one of the UK's most popular wheelchair accessible vehicles thanks to its ideal balance of size, comfort and practicality.

This particular example benefits from a spacious rear passenger area while still being compact enough for everyday driving and parking. The manual gearbox provides a familiar and straightforward driving experience, while the economical 2.0 TDI engine offers strong performance with excellent fuel economy.

The lightweight bi-fold ramp is easy to operate and folds neatly away when not in use, making day-to-day loading simple and convenient for carers and family members alike.

Frequently Asked Questions (FAQ)

1. How many passengers can this Volkswagen Caddy Maxi WAV carry?

This Volkswagen Caddy Maxi WAV can carry up to 5 seated passengers plus either a wheelchair passenger or mobility scooter. This flexible layout is one of the main reasons the Caddy Maxi is such a popular choice for families and carers who need to transport additional passengers while still retaining excellent wheelchair accessibility.

2. Is the Volkswagen Caddy Maxi a good everyday vehicle as well as a WAV?

Yes. The Caddy Maxi is extremely popular because it drives very much like a normal car while still offering excellent wheelchair accessibility. It is comfortable, economical and practical enough for everyday family use, shopping trips and hospital appointments.

3. Is the rear ramp heavy to operate?

No. The lightweight bi-fold ramp is designed for simple operation and can usually be lifted and folded by one person without difficulty. The electric winch also helps assist with wheelchair or mobility scooter loading.

4. Will my wheelchair or mobility scooter fit in this WAV?

Yes, this vehicle is suitable for most standard wheelchairs and many mobility scooters, subject to dimensions. We always recommend checking your measurements before travelling to view the vehicle

5. Is this vehicle suitable for Clean Air Zones and ULEZ areas?

Yes. This Volkswagen Caddy Maxi is Euro 6 compliant, meaning it meets the required emissions standards for ULEZ and most UK Clean Air Zones including Bristol and Bath.

Why Buy from Michael Harraway Cars?

Michael Harraway has over 30 years motor trade experience, including more than 10 years specialising exclusively in wheelchair accessible vehicles.

Based in Weston-super-Mare, we have helped hundreds of customers across Bristol, Bath, Somerset, Devon and the wider South West find the right WAV for their individual mobility needs.

Every vehicle is carefully selected, inspected and prepared to a high standard, with honest advice and no-pressure service throughout. Over 200 wheelchair accessible vehicles have been supplied to customers across the South West
