Citroen Berlingo Multispace WAV for Sale in Weston-super-Mare

This 2019 (19) Citroen Berlingo Multispace Flair 1.6 BlueHDi Automatic Wheelchair Accessible Vehicle is a very low mileage, professionally converted example offering comfort, practicality, and excellent accessibility for everyday mobility needs. Converted from new by GM Coachworks, this one owner ex-Motability vehicle has covered just 10,286 miles and has clearly been exceptionally well cared for throughout its life.

The compact size makes the Berlingo easy to drive and manoeuvre, while the lowered floor conversion and longer lightweight rear ramp provide straightforward wheelchair access with a gentler loading angle. With seating for three passengers plus a wheelchair user, this versatile WAV is well suited to daily use, medical appointments, shopping trips, and family outings.

Supported by a full documented Citroen service history, this Berlingo Multispace WAV represents an excellent opportunity to purchase a high quality, low mileage automatic wheelchair accessible vehicle.

Frequently Asked Questions (FAQ)

Q1. Is the rear passenger seat removable?

A: Yes, the rear passenger seat can be quickly removed without tools, helping create additional space and flexibility when required.

Q2. Does this vehicle have an electric wheelchair winch?

A: No, this vehicle does not have an electric winch. Instead, it benefits from a longer lightweight ramp with a shallower incline, making wheelchair loading easier for many users.

Q3. Is this Citroen Berlingo WAV suitable for everyday driving?

A: Yes, the Berlingo Multispace is compact, economical to run, and easy to park, making it ideal for day-to-day use including shopping trips, appointments, and family outings.

Q4. What are the benefits of the Citroen Berlingo Multispace over larger WAVs?

A: The Berlingo Multispace offers a good balance between accessibility and compact size, making it easier to manoeuvre and park than many larger wheelchair accessible vehicles while still providing excellent interior space.

Q5. Is this vehicle exempt from Clean Air Zone charges?

A: Yes, this Citroen Berlingo Wheelchair Accessible Vehicle is Euro 6 compliant and can be driven in Clean Air Zones, including Bristol, without daily emission charges.

Q6. Do you offer a warranty with your wheelchair accessible vehicles?

A: Yes, all of our used wheelchair accessible vehicles are supplied with a comprehensive in-house warranty covering parts and labour for additional peace of mind.

Q7. Can you take my current WAV or car in part exchange?

A: Yes, we welcome part exchanges and are often able to take existing wheelchair accessible vehicles or standard cars in against your next vehicle.

Q8. Does this Citroen Berlingo WAV have parking sensors?

A: Yes, this Flair model is fitted with both factory front and rear parking sensors, which is a useful feature as many similar wheelchair accessible vehicles only have rear parking sensors. This can make parking and manoeuvring easier in tighter spaces.
