Citroen Berlingo Multispace WAV for Sale in Weston-super-Mare

This 2015 (64) Citroen Berlingo Multispace 1.6 HDi Manual Wheelchair Accessible Vehicle is a well-maintained, professionally converted WAV offering practical accessibility, low running costs and everyday usability.

Having covered just 30,353 miles from new, this Berlingo has had only 2 previous owners, with the most recent owner having kept the vehicle since 2019. Professionally adapted by GM Coachworks, it offers excellent wheelchair access while retaining the practicality and ease of use that has made the Berlingo one of the UK's most popular wheelchair accessible vehicles.

The compact dimensions make it easy to drive and park, while the lowered floor conversion and lightweight rear access ramp provide straightforward wheelchair or mobility scooter access. With seating for three passengers plus a wheelchair user, it is equally suited to daily use, shopping trips, family outings and medical appointments.

As part of our comprehensive pre-delivery inspection, this vehicle has just benefited from a replacement timing belt and water pump, front brake discs and pads, and a full service, providing additional peace of mind for its next owner.

### Frequently Asked Questions (FAQ)

Q1. Is the rear passenger seat removable?

A: Yes. The rear passenger seat can be removed quickly without the need for tools, creating additional space when required.

Q2. Does this vehicle use AdBlue?

A: No. This 1.6 HDi engine does not require AdBlue, which many customers prefer as there is no AdBlue tank to refill or related system to maintain.

Q3. Can this vehicle carry a mobility scooter?

A: Yes. The lowered floor conversion and generous rear access area make it suitable for many mobility scooters as well as manual and powered wheelchairs. We are happy to discuss individual requirements before you travel.

Q4. Is this Citroen Berlingo WAV suitable for everyday driving?

A: Yes. The Berlingo is compact, economical to run and easy to manoeuvre, making it an excellent everyday vehicle.

Q5. Is this vehicle ULEZ compliant?

A: No. This vehicle is Euro 5 diesel and is therefore not ULEZ compliant. Customers intending to drive regularly within Ultra Low Emission Zones should check local charging requirements before purchase.

Q6. What work has been carried out recently?

A: As part of our preparation process, the vehicle has just had a replacement timing belt and water pump, new front brake discs and pads, and a full service.

Q7. Do you offer a warranty with your wheelchair accessible vehicles?

A: Yes. All of our used wheelchair accessible vehicles are supplied with a comprehensive in-house warranty covering parts and labour for additional peace of mind.

Q8. Can you take my current WAV or car in part exchange?

A: Yes. We welcome part exchanges and are often able to take existing wheelchair accessible vehicles or standard cars against your next vehicle.
