

Citroen Berlingo Multispace 1.6 BlueHDi Wheelchair Accessible V

Content

Citroen Berlingo Multispace WAV for Sale in Weston-super-Mare

This 2016 (16) Citroen Berlingo Multispace 1.6 BlueHDi Manual Wheelchair Accessible Vehicle is a genuine low-mileage example that has covered just 36,221 miles from new and benefits from an excellent maintenance record throughout its life.

Having had only 2 previous owners, this vehicle was previously supplied by ourselves in 2022. Professionally converted by GM Coachworks from new, it offers practical and straightforward wheelchair access together with the flexibility and comfort that have made the Berlingo a long-standing favourite within the WAV market.

Configured to carry three seated passengers plus a wheelchair user, the conversion features a lowered rear floor, lightweight bi-fold access ramp, four-point wheelchair restraint system and a removable rear seat that can be taken out without the need for tools.

The vehicle is supplied with a comprehensive service history and has recently undergone our thorough pre-delivery inspection and preparation process, including a full service, replacement timing belt and water pump, new front brake discs and pads, and a new battery. As a Euro 6 model, it is also ULEZ compliant, making it an increasingly desirable choice for customers looking for a practical and economical wheelchair accessible vehicle.

As part of our comprehensive preparation process, the vehicle has undergone a full pre-delivery inspection and service, including replacement timing belt and water pump, new front brake discs and pads, and a new battery, helping to ensure many miles of reliable motoring for its next owner.

Frequently Asked Questions (FAQ)

Q1. Is this Citroen Berlingo WAV ULEZ compliant?

A: Yes. This vehicle is fitted with the Euro 6 BlueHDi diesel engine and is ULEZ compliant, making it suitable for use within Ultra Low Emission Zones without incurring daily charges.

Q2. Will you take my existing vehicle in on a part exchange?

A: Yes. We welcome part exchanges and accept both wheelchair accessible vehicles and standard cars against your next purchase.

Q3. Is the rear passenger seat removable?

A: Yes. The rear passenger seat can be removed quickly and easily without the need for tools, providing additional flexibility and wheelchair space when required.

Q4. Has the timing belt and water pump been replaced?

A: As part of our preparation process, the vehicle has received a full service, replacement timing belt and water pump, new front brake discs and pads, a new battery, and a comprehensive pre-delivery inspection.

Q5. Do you provide a warranty?

A: Yes. All of our used wheelchair accessible vehicles are supplied with a comprehensive in-house warranty covering parts and labour for additional peace of mind.
