Frequently Asked Questions (FAQ)

Q1. What size wheelchair or mobility scooter will fit in this Peugeot Rifter WAV?

A: The wheelchair area measures 140 cm in length, 70 cm wide alongside the rear seat, with an entry height of 142 cm. If you're unsure whether your wheelchair or mobility scooter will fit, simply get in touch and we'll be happy to check the dimensions with you.

Q2. What is the maximum weight the ramp can support?

A: The rear access ramp has a maximum safe working load of 400 kg.

Q3. Does this Peugeot Rifter have Sat Nav?

A: It does not have built-in satellite navigation, but it includes Apple CarPlay and Android Auto, allowing you to use Google Maps, Apple Maps or Waze through the touchscreen using your smartphone.

Q4. Is this vehicle ULEZ and Clean Air Zone compliant?

A: Yes. As a Euro 6 diesel, this Peugeot Rifter is compliant with ULEZ and Clean Air Zone requirements, including Bristol's Clean Air Zone, so no daily charge applies.

Q5. Can I drive this Peugeot Rifter WAV with a wheelchair passenger?

A: Yes. This vehicle has been professionally converted by Allied Vehicles and allows a wheelchair user to travel safely and comfortably in the rear passenger area while being secured using the four-point wheelchair restraint system.

Q6. Can I reserve the vehicle before travelling?

A: Yes. If you would like to secure the vehicle while making arrangements to visit us, please contact us and we'll be happy to explain our reservation process.

Q7. Do you accept part exchange?

A: Yes. We welcome part exchange and can provide a competitive valuation for your current vehicle, whether it's a standard car or another wheelchair accessible vehicle.
