

Peugeot Rifter 1.5 BlueHDi Allure Wheelchair Accessible Vehicle

Content

This 2021 (21) Peugeot Rifter Allure Wheelchair Accessible Vehicle (WAV) is a one-owner, low-mileage ex-Motability vehicle with just 24,474 miles and an outstanding full service history. Professionally converted by Allied Vehicles from new, it combines the comfort and practicality of a modern passenger car with excellent wheelchair accessibility, making it an ideal choice for wheelchair users, families and carers looking for a reliable, high-quality WAV.

With a lightweight rear access ramp, lowered rear floor and electric wheelchair winch, this Rifter has been designed to provide safe, comfortable and straightforward wheelchair access while maintaining the driving experience and convenience of a passenger vehicle.

Available to view in our showroom in St Georges, Weston-super-Mare, we proudly supply wheelchair accessible vehicles throughout Bristol, Somerset, Devon and across the South West.

About Michael Harraway Cars

Michael Harraway Cars are wheelchair accessible vehicle specialists based in St Georges, Weston-super-Mare, just five minutes from Junction 21 of the M5.

About Michael Harraway

I've been in the motor trade for over 30 years, and for more than a decade I've focused entirely on wheelchair accessible vehicles. In that time I've sold over 500 WAVs to customers across Somerset, Bristol, Bath, Devon, South Wales and further afield. I know these conversions inside out, how they're built, what tends to go wrong, and what actually matters when you're choosing one for a specific wheelchair or family situation.

I personally look over and test drive every car before it goes on the forecourt. If you've got questions about whether a vehicle will suit your needs, I'd much rather you ask before you travel than find out

on the day.
