Content

One Owner | Just 5,382 Miles | Allied Mobility Conversion | 3 Seats Plus Wheelchair

This exceptional 2023 (23) Peugeot Rifter 1.5 BlueHDi Horizon RE Â Wheelchair Accessible Vehicle has covered just 5,382 miles from new and has had only one owner. Originally supplied through the Motability Scheme, it has been professionally converted by Allied Mobility, one of the UK's leading wheelchair accessible vehicle specialists.

Finished to a high standard throughout, this Rifter offers seating for three passengers plus one wheelchair user or space for a mobility scooter and combines the practicality of a spacious wheelchair accessible vehicle with the comfort, refinement and technology of a modern family car. The economical Euro 6 BlueHDi diesel engine and impressive level of equipment make it equally at home on local journeys or longer trips.

If you're looking for a low mileage WAV that's easy to drive, comfortable for passengers and simple to use every day, this Peugeot Rifter deserves serious consideration.

Wheelchair Accessibility Features

This Peugeot Rifter has been expertly converted from new by Allied Mobility and offers a practical, easy-to-use wheelchair accessible conversion designed with both wheelchair users and carers in mind.

The conversion features:

Lowered rear floor for increased wheelchair headroom

Lightweight rear access ramp

Fold-flat ramp allowing a flat luggage floor when not carrying a wheelchair

Electric wheelchair winch to assist loading

Four-point wheelchair restraint system

Wheelchair occupant seatbelt

Spacious rear wheelchair compartment

Excellent visibility for the wheelchair passenger

The fold-flat ramp is particularly useful as it allows the rear luggage area to remain practical when the wheelchair space isn't required.

Wheelchair Area Measurements

Before purchasing any wheelchair accessible vehicle, we always recommend checking your wheelchair measurements.

Ramp Width: 83 cm

Maximum Wheelchair Length (to the winch): 140 cm

Entry Height: 142 cm

Width Alongside Rear Seat: 70 cm

These measurements make the vehicle suitable for many manual wheelchairs, powered wheelchairs and some mobility scooters.

If you're unsure whether your wheelchair will fit, please get in touch and we'll be happy to discuss your requirements.

About Michael Harraway

I've been in the motor trade for over 30 years, and for more than a decade I've focused entirely on wheelchair accessible vehicles. Based in St Georges, Weston-super-Mare, just five minutes from Junction 21 of the M5, I've sold over 500 WAVs to customers across Somerset, Bristol, Bath,

Devon, South Wales and further afield.

I know these conversions inside out, how they're built, what tends to go wrong, and what actually matters when you're choosing one for a specific wheelchair or family situation. I personally look over and test drive every car before it goes on the forecourt. If you've got any questions about whether a car will suit your needs, just get in touch. I'm always happy to talk it through.
