

Peugeot Rifter 1.5 BlueHDi Automatic Wheelchair Accessible Vehicle

Content

This 2023 (23) Peugeot Rifter Allure has covered just 4,018 miles and is a one-owner vehicle originally supplied through the Motability scheme. Professionally converted by Allied Vehicles, it provides a practical and comfortable wheelchair accessible layout with three conventional passenger seats alongside the wheelchair position.

Powered by the 1.5 BlueHDi diesel engine and paired with an automatic gearbox, this Rifter offers an excellent combination of comfort, practicality and ease of use. With its low mileage, high specification and well-designed Allied Vehicles conversion, it is particularly well suited to everyday use for an individual wheelchair user or family.

The conversion includes a lowered rear floor, lightweight fold-flat rear ramp, electric wheelchair winch and 4-point wheelchair restraint system. The fold-flat ramp is especially useful when the vehicle is being used without a wheelchair passenger, allowing the rear area to be used more flexibly.

Available to view in our showroom in St Georges, Weston-super-Mare, we proudly supply wheelchair accessible vehicles throughout Bristol, Somerset, Devon and the wider South West. We also work with a good number of customers across South Wales, many of whom find us an easy trip over the bridge.

Key Vehicle Information

Registration: 2023 23

Mileage: 4,018 miles

Engine: 1.5 BlueHDi Diesel

Transmission: Automatic

Fuel Type: Diesel

Seating: 3 Seats + Wheelchair

Road Tax: £200 (12 Months)

Full Service History

Euro 6 (ULEZ & Clean Air Zone Compliant)

Wheelchair Accessibility Features

Professionally converted by Allied Vehicles, this Peugeot Rifter offers:

3 Seats plus Wheelchair or Mobility Scooter

Lightweight rear access ramp with fold-flat feature

Lowered rear floor for increased wheelchair headroom

Electric wheelchair winch for effortless loading

4-point wheelchair restraint system for maximum safety

Wheelchair / Mobility Scooter Area Measurements

Ramp Width: 83 cm

Wheelchair Length: 140 cm (to the winch)

Entry Height: 142 cm

Width alongside rear seat: 70 cm

These measurements make the vehicle suitable for many manual wheelchairs, powered wheelchairs, and mobility scooters. We always recommend measuring your wheelchair or mobility scooter before purchase to ensure suitability.

Vehicle Condition

This is an exceptionally low-mileage Peugeot Rifter and a particularly impressive example. Having covered just 4,018 miles from new, it has seen very little use and retains the fresh, clean appearance you would expect from a vehicle with such low mileage.

The interior is clean and tidy throughout, while the exterior presents extremely well, making this a Rifter that stands out from many of the higher-mileage examples on the market. Being a one-owner vehicle originally supplied through the Motability scheme, it has also benefited from a well-documented history and has clearly been well cared for.

We are very selective about the vehicles we purchase for our stock, particularly when it comes to wheelchair accessible vehicles, and this is exactly the type of example we look for. The combination of very low mileage, one-owner history, automatic transmission and the high-quality Allied Vehicles conversion makes this a particularly desirable Rifter WAV.

Before the next owner takes delivery, we will carry out a comprehensive multi-point pre-delivery inspection and service, giving the new owner further reassurance that the vehicle has been

thoroughly checked and prepared by us.

About Michael Harraway

I've been in the motor trade for over 30 years, and for more than a decade I've focused entirely on wheelchair accessible vehicles. Based in St Georges, Weston-super-Mare just five minutes from Junction 21 of the M5. I've sold over 500 WAVs to customers across Somerset, Bristol, Bath, Devon, South Wales and further afield. I know these conversions inside out, how they're built, what tends to go wrong, and what actually matters when you're choosing one for a specific wheelchair or family situation. I personally look over and test drive every car before it goes on the forecourt. If you've got any questions about whether a car will suit your needs, just get in touch, I'm happy to talk it through with you.

Read more about us on our About Us page.

Why Buy from Michael Harraway Cars?

Specialist WAV dealer

Over 30 years' motor trade experience

More than 500 WAVs sold
