

Peugeot Rifter 1.5 BlueHDi Automatic Wheelchair Accessible Ve

Content

This 2019 (19) Peugeot Rifter 1.5 BlueHDi Automatic Wheelchair Accessible Vehicle (WAV) has covered just 25,154 miles and benefits from a comprehensive service history. It has had just two previous owners, the first through the Motability scheme and the second after being sold by us in November 2024.

Professionally converted by Allied Vehicles from new, it combines the comfort and practicality of a modern passenger vehicle with a well-designed wheelchair access system. The automatic gearbox makes it particularly easy and comfortable to drive, while the lightweight fold-flat rear ramp, lowered floor and electric wheelchair winch provide straightforward access for a wheelchair passenger.

With its low mileage for a 2019 vehicle, automatic transmission, Allied Vehicles conversion and strong service history, this is a very practical WAV for a wheelchair user, family or carer looking for a reliable and easy-to-use vehicle.

Available to view in our showroom in St Georges, Weston-super-Mare, we proudly supply wheelchair accessible vehicles throughout Bristol, Somerset, Devon and the wider South West. We also have a good number of customers across South Wales, many of whom find us an easy trip over the bridge.

Key Vehicle Information

Registration: 2019 19

Mileage: 25,154 miles

Engine: 1.5 BlueHDi Diesel

Transmission: Automatic

Fuel Type: Diesel

Seating: 3 Seats + Wheelchair

Road Tax: £200 (12 Months)

Full Service History

Euro 6 (ULEZ & Clean Air Zone Compliant)

Wheelchair Accessibility Features

Professionally converted by Allied Vehicles, this Peugeot Rifter offers:

3 Seats plus Wheelchair or Mobility Scooter

Lightweight rear access ramp with fold-flat function

Lowered rear floor for increased wheelchair headroom

Electric wheelchair winch for effortless loading

4-point wheelchair restraint system for maximum safety

Wheelchair / Mobility Scooter Area Measurements

Ramp Width: 83 cm

Wheelchair Length: 140 cm (to the winch)

Entry Height: 142 cm

Width alongside rear seat: 70 cm

These measurements make the vehicle suitable for many manual wheelchairs, powered wheelchairs, and mobility scooters. We always recommend measuring your wheelchair or mobility scooter before purchase to ensure suitability.

Vehicle Condition

This 2019 (19-plate) Peugeot Rifter WAV has covered just 25,154 miles and comes with a full service history, backed by 7 service stamps. It was previously sold by us in November 2024.

The bodywork is in excellent order, the interior is clean and well cared for, and the wheelchair conversion is equally impressive. It drives exactly as you would expect from a vehicle with such low mileage, with a smooth automatic gearbox and refined diesel engine providing a comfortable driving experience.

As with all our vehicles, it will undergo a comprehensive pre-delivery inspection before collection.

About Michael Harraway

I've been in the motor trade for over 30 years, and for more than a decade I've focused entirely on wheelchair accessible vehicles. Based in St Georges, Weston-super-Mare just five minutes from Junction 21 of the M5. I've sold over 500 WAVs to customers across Somerset, Bristol, Bath, Devon, South Wales and further afield. I know these conversions inside out, how they're built, what tends to go wrong, and what actually matters when you're choosing one for a specific wheelchair or family situation. I personally look over and test drive every car before it goes on the forecourt. If you've got any questions about whether a car will suit your needs, just get in touch, I'm happy to talk it through with you.

Read more about us on our [About Us](#) page.
